

October 2013

To OH CFR listserv members:

- ❑ The advisory board would like to thank the students and professionals who submitted their NCFR accepted proposals for consideration for the OH CFR-sponsored \$200 NCFR presentation awards. We also wanted to announce the two NCFR presenters whose proposals will receive the \$200 travel stipends. The graduate student award went to Lauren Altenburger of the Ohio State University for her proposal entitled “Maternal Gatekeeping and Coparenting: Similar or Distinct?” which will be a poster presentation at NCFR on Weds. Nov. 6 from 7:45-8:30 p.m. The professional stipend was awarded to Dr. Russ Toomey, assistant professor at Kent State University, for his proposal “Gender Role Attitudes across the Transition to Parenthood among Teen Moms,” a poster session which will be on Sat. Nov. 9 from 8:15-9:30 a.m. Congratulations to these two presenters whom we look forward to having as presenters at our spring conference.

- ❑ Please **SAVE THE DATE** for an OH CFR - hosted conference at Bowling Green State University on **February 28, 2014**. The theme is *Trends in Programming and Research for Individuals and Families*. A call for proposals as well as details regarding a speaker, the conference costs, registration details, etc. will be sent out toward the end of 2013.

- ❑ Is anyone interested in taking the CFLE exam at the conference? We are exploring this with NCFR and the test publishing company provided we get the minimum number of individuals. If you are interested, please contact Audrey Kraynak, arkraynak@aol.com.

- ❑ If Ohio members are interested in networking at the NCFR conference in San Antonio, TX, let me know. I will be there from Tuesday evening until Friday morning. I plan to attend the CFLE dessert reception as well as the Affiliates’ Workshop on Wednesday morning.
